NAME: _____

Exhibitors through submission of entry, acknowledge that they are knowledgeable of NADAC rules and regulations and agree to abide by all rules in effect at the time of the trial.

Dogs must be registered and have a valid registration number before entries will be accepted.

The current Jump Height Table, Breed Exemption List, description of classes, levels, and divisions are included in the current Exhibitors Handbook. A copy of the current Exhibitors Handbook may be downloaded free from the NADAC web site: www.nadac.com. Exhibitors may request a hard copy of the current Exhibitors Handbook by sending \$5.00 to:

North American Dog Agility Council P.O. Box 1206 Colbert, OK 74733

The Show Committee has the right to refuse any entry. Those persons not in good standing with NADAC will not be allowed entry into this trial.

No entry fee will be refunded if the trial cannot open or be completed by reasons of riots, civil disturbances, fire, acts of God, public emergency, an act of public enemy, or any other cause beyond the control of the organizing committee.

Checks not honored by the bank do not constitute a valid entry fee. There is a \$25 fee for bank returned checks.

THE MANAGEMENT will not be responsible for the loss or damage to any dog exhibited, or for the possessions of any exhibitor whether the result was by accident or any other cause. It is distinctly understood that every dog at this event is in the care and custody and control of his owner or handler during the entire time the dog is on the show premises. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior shall, at the discretion of the Show Committee, be asked to leave the show site. In such case, no refund of fees paid will be made.

Veteran or Disabled Handler: Handlers aged 60 yrs. or older, or who have a disability that restricts mobility, may opt to enter the non-jumping classes as a Veteran Handler and receive 10% more standard course time. In the non-jumping classes, this option is for Veteran/Disabled handlers only. *** The Veteran/Disabled handler division is to give additional time allowance to handlers, because of their age or mobility limitations. When entering as a Veteran/Disabled Handler, you must enter all dogs in all classes for the entire trial in this Division.

IMPORTANT: Please check your dog's NADAC registration number on your trial confirmation as soon as you receive it; also, please check the copy of the results posted at the trial. You should report any errors to the Trial Secretary immediately.

NADAC records trial results as they are submitted by the host clubs/groups. The individual trial results submitted by the club are uploaded to the files section of the NADACAgiility@yahoogroups.com list within two weeks after the NADAC office receives them from the club. The trial results will remain on the list for at least thirty (30) days. Please accept the responsibility to review those results, and check that your registration number and qualifying points, as reported by the club, are correct. You can join the www.NADACAgiility@yahoogroups.com list and set your settings to "no mail". You will be able to view trial results and check for any possible discrepancies, without receiving list mail. If you find an error in the reporting of your dog's qualifying points or registration number, please contact the host club. The host club is responsible for correcting any errors and informing NADAC.

LEVELS: Points earned at a higher level of a class, prior to the completion of the lower level title, will not be banked by NADAC for future use. If a dog earns points in a level of a class that they are not eligible to title in, those points will not be added to the dog's records.

CLASS CHANGES

There will be no same day move-ups: however, if you title on Saturday, you may move up to the

next level on Sunday. You must make your request for move-up in writing to the show secretary no later than at the completion of the last class on Saturday.
